

Volunteer Expectation Information

Live Again Ministries relies on volunteers partnering in God's work to accomplish its purpose of working to alleviate spiritual and material poverty around the block and around the world. We believe that it is only as people encounter the living God that they can be truly set free from the things of this world which bind them spiritually and materially. It is our joy and privilege to partner with you in sharing the grace, mercy and kindness of God with a hurting world. This partnership involves a commitment by us and by you.

LAM Commitment

LAM commits to provide planning, training and guidance to the volunteer in the form of documentation, training sessions and guidelines which allow volunteers to prepare for the upcoming missions trips.

Our commitment at LAM is to provide the best possible environment for you and your mission team to be challenged and stretched, for you to encounter a culture that may be different from what you are used to. In the midst of the entire journey we commit to helping the participant explore how God may be speaking to you, inviting you to expand and grow your relationship with His Son.

Volunteer Commitment

The volunteer makes a commitment to follow the instructions given and complete the necessary tasks to make sure the trip or activity is a success.

Here is the list of commitments that you as a volunteer will make:

- Prayerfully commit to becoming part of a team
- Attend all preparatory training sessions and meetings in your area
- Complete all registration documents and return them to LAM by the designated deadline
- Pay for your expenses, as outlined by LAM, with the understanding that once payment has been made for your commitment, neither LAM nor you have the ability to modify/refund/exchange any money paid
- Conduct all preparation and training as assigned
- Be flexible and willing to participate in any way during group camp sessions (activities include singing, acting, etc)
- Participate in fund-raising activities prior to the trip
- Be willing to share your testimony with individuals or in a group setting, such as a church
- Refrain from the use of alcohol and drugs during all LAM activities

LAM will provide you with all necessary forms and instructions to help you accomplish the above tasks. A trip leader will be assigned to each mission trip and will be the primary point of contact for volunteers. LAM will provide volunteers trained in all project areas and equipped with everything needed to carryout their tasks during mission trips. LAM will also provide a Spiritual Director, or guide, for each trip to help unpack how God may be speaking to the team and to individuals.
